

## **Central New York Junior / Young Riders**

### **\*Who are the Central New York Junior / Young Riders?**

We are the members of the club under the age of 21. We host meetings once a month during the off-season to keep us on our feet. The meetings range from daily care and nutrition to different riding disciplines. Some of us do not show or even own our own horse.

We volunteer our time at different club events throughout the year.

*The Junior / Young riders are the future of CNYD&CTA.*

### **\* Goals of the Central New York Junior / Young Riders?**

We participate in many activities throughout the year; as well as representing CNYD&CTA at Lendon Gray's Youth Festival.

*Most importantly we have fun and learn a lot!*
