

Central New York Dressage & Combined Training Association Dressage Schooling Show Sponsorship Program

In an effort to create expanded opportunities and participation in dressage schooling shows in the Central New York Region, CNYD&CTA offers the Dressage Schooling Show Program whose goals are:

- 1) To encourage regional venues to host dressage schooling shows within CNYD&CTA standards,
- 2) To provide more opportunities for dressage riders to compete and accumulate schooling show scores in order to enrich and advance their experience and skills,
- 3) To expand the CNYD&CTA Year End Awards Program which incentivizes volunteering to qualify for awards.

For participating venues, the Program's benefits include:

- listing the show date(s) on CNYD&CTA's web site, Facebook and newsletter
- offering Volunteer Hours Credit to CNYD&CTA Members to support the competitions
- CNYD&CTA providing liability insurance for each Program event

In return, the venue would commit to:

- selecting dates that do not conflict with CNYD&CTA competitions
- employing the CNYD&CTA show standard of using USDF "L" judges (or higher)
- having the venue host become a CNYD&CTA Member

For CNYD&CTA Members, the Program offers expanded opportunities to:

- gain show experience and improve skills
- accumulate qualifying scores for Year End Awards
- accumulate Volunteer Hours for the Year End Awards.
